MEMORANDUM FOR THE RECORD

**SUBJECT: Mr. McCone's Meeting with Senator Henry M. Jackson -
16 January 1962**

Mr. McCone met for approximately 40 minutes with Senator Henry M. Jackson (D., Wash.). His visit was in the nature of a courtesy call and Mr. McCone advised it was most general but that Senator Jackson did indicate there might be some questions at the confirmation hearing coming from Margaret Chase Smith (R., Me.) and Francis Case (R., S. Dak.). Apparently Senator Jackson was not specific on the nature of the questions. Also, Senator Jackson suggested that it might not be desirable for Mr. McCone to read a prepared statement at the confirmation hearings and, in fact, suggested playing the outstanding questions in a low key.
